PURPOSES

The American French Genealogical Society was formed in February of 1978 as a non-profit genealogical and historical society devoted to people of French extraction.

Our purpose is to discover, study and preserve our rich Franco-American heritage through assisting our members in discovering their ancestors and the daily events that shaped their, and consequently, our lives.

The Society is actively involved in extracting, collating, and publishing of Franco-American vital statistics, parish registers, burial records and other datum consistent with the purposes of the Society.

ACTIVITIES

- Weekly research sessions held every Tuesday evening from 7PM to 11PM at the library.
- Monthly meetings (except during April, June, July, August and December) held the last Wednesday of the month. A competent speaking program is planned for each meeting.
- Annual business meeting and election of officers held at the October meeting.
- Annual 2 day conference held each April.
- Quarterly publication entitled "Je Me Souviens".
- Individual assistance and training for new members.

RESOURCES

- A library consisting of more than 1,000 volumes of repertoires (Marriage indexes for the Province of Quebec, United States, etc.), genealogies, biographies, histories of Franco-Americans.
- A representative selection of genealogical journals and publications of National and International scope.
- Active resource development program designed to gather and collate vital datum concerning the Nation's Franco-Americans, consisting of:
 - (1) **VITAL STATISTICS FILE:** Containing births, marriages and deaths of members, their descendants and ancestors.
 - (2) **VERTICAL FILES:** Containing news media clippings concerning Franco-Americans.
 - (3) **PEDIGREE FILES:** Containing member's ancestor charts.
 - (4) **OBITUARY FILES:** Containing newspaper obits of Franco-Americans who have died in the United States and abroad.
