According to Charles Buchanan, Thomas was born in Cushington, Wexford, Ireland. Baptized on 23 Dec. 1792 in Cushingtown, Co. Wexford. Sponsors: James Tierney and Margaret Mackey. Source: Wexford Genealogy and Heritage Society. Document provided by Charles Buchanan.

Note that Charles was probably incorrect because the gravestone at Pioneer Cemetery in Dominion indicates a later birth date (about 1798). Also, Surname is MacKay.

Marriage record was published Terrance M. Punch in Volume 1 of his series: Erin's Sons: Irish Arrivals in Atlantic Canada.

The image of his burial record is available in FamilySearch.

Notes for James Mackie

Source: Charles Buchanan

Note: Charles Buchanan grouped the children of Catherine and Ann into one family. Because NovaScotiaGenealogy shows either that there were 2 people named James (one had 2 wives) or that there was 1 person named James who must have had three wives. I have concluded without any marriage records or obituaries to prove it, that James was married 3 times! Hopefully, if I am incorrect, someone will correct my error!

In the Community Trees baptism record, her given name is recorded as Ester. In the Census of 1881, my grandmother was identified as Kate Cummings, age 1. In the automated census of 1901 and 1911, she is enumerated as Hester. Her death record identifies her as Esther. One of her nieces said that in her family she was called Aunt Het.

Her US border crossing record was dated April 28, 1925.

My great grandfather Petrie in the 1890s started to build a series of houses for his children on his farm land that overlooked Lingan Bay. Three of the houses were finished before he passed away in 1893. Michael, Mary and my grandparents eventually lived in the houses. Michael, Mary and my grandparents also helped to raise their siblings who still lived on the farm after their mother passed away a few years after their father. The house remained in the family until grandfather's siblings Uncle Jack and Aunt Mary passed on in the 1940s.

My grandparents sold their Lingan house about 1910 and moved into Dominion to a house they built on 11 Dominion street. (The vacant land where the house stood became part of Aunt Dot's property at 21 Dominion St.)

In the mid 1920's into the early 1930s, grandmother lived in Brookline MA in an apartment with my father, Russell, Roy, and Dorothy. (Grandfather remained in Dominion.)

My Dad moved when he and my mother were married. Hazel moved in with my parents after she was diagnosed with Hodgkin's disease and was unable to support herself. After Hazel died, grandmother moved back to Dominion with Roy and Dorothy.

Because we lived so far from Dominion, our contact with our grandparents was spotty at best! Grandmother did not accompany Grandfather to Dedham to celebrate Dad's citizenship. On our trip to Dominion in 1946, I was climbing a tree in their yard when grandmother kicked me out of the yard. (I suspect that she was almost blind from cataracts - because in her pictures she usually wore dark tinted glasses and because she was scarcely seen in public.) I suspect that when she kicked me out of the tree she really did not know that I was her grandson because later she invited me to see her. I was taken by Aunt Dot to visit in the parlor. That parlor was a special room in my grandparent's house, used only for special guests, celebrations, and wakes! I never saw grandmother again.

Grandmother died of pancreatic Cancer in 1948.

The Canadian Census of 1901 indicates a October 1872 birth date.

Petrie Edward	M	Head	M	Oct	1872
Petrie Hester	F	Wife	M	Jul 11	1879

Birth information from Glace Bay indicated a 22 June 1872 birth date.

The Census of Canada for 1911 shows a surname of Peterie.

Note that for my Dad's record, I have registered and sent surname changes to the web site for all the family members as well as filling in the missing information for Dad.

Ned at various times in his life was a miner, a meat cutter at the Dominion Co-op, a traveling grocer who sold meat off the back of his wagon, and a grocery store owner in Dominion until the store burnt in 1947.

To his siblings, he was the glue that kept them together after his parents died in the 1890s. He and his sister Mary, the two oldest of the 10 children, raised the others. He and grandmother continued to help Mary after their marriage.

Because we lived 1500 miles away, we have few memories of grandfather. My brothers had memories from the 1939 trip when we stayed in Dominion most of the summer. We all had memories of our 1946 trip to Dominion when we stayed at our Aunt Dot's house next door to our grandparents. Grandfather took us to Glace Bay Harbor to see the fishing boats come in to sell the catch. We came back to Dominion brandishing swords that were cut from swordfish - fish that we saw landed that day. We stashed them overnight next to the foundation of our grandparents house. We retrieved them each day for our mock battles. Dad would not let us pack them for the trip home! So they stayed there next to the foundation until grandmother complained about a "Ripe" smell under her window! Ah, grandfather found the "Ripe Swords" and gave them a suitable burial!

As near as I can tell, he came to the US three times. He came to settle his grandmother's and mother's estates. He had to work with his O'Brien Uncles in Lawrence Massachusetts and Danbury Connecticut.

In March 1925, he came to visit Aunt Hazel before Ned moved grandmother, Russell, Roy and Dorothy to Boston in late April through June 1925 . Uncle Eddie and Aunt Hazel had come earlier. Ned made the trip with my Dad.

He visited us once to celebrate Dad's citizenship. We have photos of him at our house in Dedham and at a cousin's cottage in Wareham. He loved to chew "Apple Tobacco". One day, my brothers and I were dispatched to our neighborhood store to get a new supply. We went from store to store - no one sold his brand! Thankfully, we brought back a substitute - he was delighted to see or hear us coming! I think that our mother was not a party to his decision that we make that trip.

Dad called him "Father" a traditional French term - probably a reflection of Dad's mother's Boutilier roots. We called him grandfather!

Grandfather died of Pancreatic Cancer early in 1948. Grandmother

died of Pancreatic Cancer later in 1948. Dad described the 1948 - 1949 as sad years. His parents and 3 uncles died in those years.

Children of Esther Cummings "Hester" and Edmund Ernest Petrie "Ned" were as follows:

- 262 i **Charles Edward⁵ Petrie "Eddie"**, born 14 Oct 1902 in Bridgeport, Cape Breton, Nova Scotia, Canada; christened 17 Oct 1902 in Immaculate Conception, Bridgeport, Nova Scotia, Canada; died 20 Mar 1936 in Sydney, Cape Breton, Nova Scotia, Canada; buried 22 Mar 1936 in Ocean Ave, Dominion, Cape Breton, Nova Scotia, Canada. Notes: Source: Joe Petrie According to the records of the Antigonish Diocese, Eddie was born on 14 October 1902 and christened 3 days later at Immaculate Conception in Bridgeport. His sponsors were Mr. and Mrs. Richard Rocket, his maternal grandmother and her third husband. In the US, he originally lived in Boston and Brookline. He and his cousin John moved to New York (state) where Eddie met and married his first wife Aletha. They moved back to Dominion after the birth of the twin girls (Barbara and Beverly). Beverly died there and is buried in Ocean Av. After Aletha returned to New York with Barbara, Eddied married and relocated south of Sydney to be close to his work at the Steel Plant. He died of burns he received in a house fire where he was burnt trying to rescue a visitor, a relative of his wife who passed away in the fire.
- 263 ii **Hazel Bertha⁵ Petrie**, born Dec 1903 in Bridgeport, Cape Breton, Nova Scotia, Canada; died 28 Jun 1932 in Boston, Suffolk, Massachusetts, USA; buried in Ocean Ave, Bridgeport, Cape Breton, Nova Scotia, Canada. Notes: Source: Joe Petrie On Feb 2, 1925, Hazel's border crossing was recorded at Vanceboro, Maine as Hazle Petrie. Dad, grandmother, Russell, Roy and Dorothy eventually joined her. The record also indicates that she was going to stay with a cousin, Gordon Buchanan, in Dorchester MA. In the 1930 Federal Census, Hazel is listed as a servant for the Leo Mayer family at 8 Grant Av in Newton, Massachusetts. After Hazel was diagnosed with Hodgkins disease and no longer was able to care of herself, she moved in with Dad and Mom who were recently married. She lived with them until she passed away.
- 264 iii **Leo Ignatius⁵ Petrie**, born 12 May 1906 in Bridgeport, Cape Breton, Nova Scotia, Canada; christened in Immaculate Conception, Bridgeport, Cape Breton, Nova Scotia, Canada; died 17 Dec 1974 in New England Baptist Hospital, Boston, Suffolk, Massachusetts, USA; buried 20 Dec 1974 in Mount Saint Benedict's Cemetery, Boston, Suffolk, Massachusetts, USA. Notes: Oral history: Leo Ignatius Petrie was born in his late grandparents' bed in Bridgeport NS, what is now Gardiner Mines, Cape Breton County, Nova Scotia, Canada. My aunt Dorothy claimed that Dad was born in what is now Dominion. In fact, If he was born at home in his parents' house, that would have been true. It is academic, because after he was born in 1906, Bridgeport was broken up into communities named Dominion, Gardiner Mines, Reserve Mines etc. In 1920, Dad shows up in a Border Crossing Index as Leo Petries, going to South Boston with his mother, older sister Hazel, younger brothers, and younger sister. On his US Border Crossing Record in Vanceboro Maine for March 30, 1925, Dad indicated that he was born in Bridgeport, NS on May 12, 1906. This is important because there is no Birth record for my Dad. It is also important because it is the only document that I have that I know he actually signed. As part of the paperwork process to become a US citizen, a christening record was provided but I have not entered the data because oral history indicated that the church records were lost in a fire and that the christening record provided to the Court was based on a Church Census record. In the 1911 Automated Census of Canada Dad was enumerated with his family, under a Peterie Surname. His first name must have not been legible because it shows as: "?". Dad had a sixth grade education. He left school in Dominion in 1918 when he was twelve which was common at the time. Between 1918 and 1922, Dad came to Boston where he lived with a cousin in Dorchester. He worked at the Upham's Corner Market. While still under age, he along with a bunch of minors working at the market were "pinched" for truancy. A court officer suggested that he and others enroll in the Electricity program at Charlestown High School and Dad became an electrician as a result. Between 1918 and 1925, Dad often returned to Dominion where he would work for his father in the family's market. In 1925, as a result of the miner's strike, Dad returned to Boston after his sister Hazel because of "hard-times" in Dominion. On March 30 1925, for example, his border

crossing with his father was recorded at Vanceboro, Maine. Later, that year, he was joined by his mother, brothers Russell, Roy and sister Dorothy. His mother worked as a domestic while his siblings attended St. Mary's in Brookline. Dad met Mom, Ethel Tobin, in 1926 at an ice skating party. They married in 1931 during the Depression. Dad was concerned about finances. Mom was not concerned - because they both were employed. He worked at the Rhodes Brothers Market in Brookline and in Boston's Back Bay until the early thirties. He later worked at the ECCO stores (the forerunner of Stop and Shop) until he was injured on the job in 1938. He was on Welfare and Workman's Compensation until he went to work in September of 1939 at the Fore River Shipyard as an Electrician. From June until August of 1939, the family lived in Dominion. Dad applied for citizenship on 10 March 1941. The file number was: 5181590. The Petition Number was: 11883. In July 1945, he became a citizen. In 1946, he left the shipyard for a short stint at Westinghouse Electric in Readville. From 1946 until he retired in the early 1970's, he worked at Ziegler's Market in Dedham initially as a meat cutter and later as the Manager. Dad loved to have a good time, to visit with relatives and friends, to play cards (poker, cribbage and 45s), to go home to Dominion every three years, to look at new cars (bought one every three years), to buy new clothes (two suits, a new top coat and hat each year), and to work on home improvements. Other recreation involved sports: hockey (Bruins), baseball (Braves and later the Red Sox), football (Browns, Giants), golf (because we boys caddied and played it), and going to race tracks (especially when his 3 sons worked at race tracks). Proudest moments revolved around Mom and his three boys. Because Dad never graduated from school, he was especially proud that all his boys graduated from college. Dad died of mesothelioma, asbestos lung cancer, after a short illness. Mesothelioma was a common killer of shipyard electricians because they pulled the wires over fixtures that were freshly coated with asbestos. He is buried in Mount Saint Benedict's Cemetery in Boston's West Roxbury section.

- 265 iv **Russell⁵ Petrie**, born 12 Apr 1909 in New Waterford, Cape Breton, Nova Scotia, Canada; died 18 Dec 1940 in Glace Bay, Cape Breton, Nova Scotia, Canada; buried 22 Dec 1940 in Ocean Ave, Dominion, Cape Breton, Nova Scotia, Canada. Notes: Source: Joe Petrie Russell lived in Dominion almost his entire life. The exceptions seem to have been when he lived in Massachusetts beginning in 1920 and 1925. His 1925 Border Crossing record indicated that he was going to live with his father at 47 Pearl St. He drove a "Car Pool" from Dominion to Glace Bay to his job at the mine. One day, he discovered that he accidentally left one of the "Car Poolers" in Dominion. Driving back to Dominion to pick up his "Car Pooler", the car skidded on ice at the Glace Bay Reservoir and hit a tree. He died of his injuries.
- 266 v **Roy⁵ Petrie**, born 1 Jun 1910 in Gardiner Mines, Cape Breton, Nova Scotia, Canada; died 1966 in Cape Breton, Nova Scotia, Canada; buried in Cape Breton, Nova Scotia, Canada. Notes: Source: Joe Petrie The Border Crossing Record for Roy on April 23, 1925 indicates that Roy was 12 so he was probably born in 1913. Roy attended school in Dominion and in Brookline. He graduated from St. Mary's High School in Brookline, Massachusetts. He was a miner in Glace Bay.
- 267 vi **Dorothy Irene⁵ Petrie**, born 1918 in Dominion, Cape Breton, Nova Scotia, Canada; died 9 Dec 1987 in Halifax, Halifax, Nova Scotia, Canada; buried 14 Dec 1987 in Dominion, Cape Breton, Nova Scotia, Canada. Notes: Source: Joe Petrie Obituary: Mrs. Dorothy Irene Donovan, 71, 11 Dominion Street, Dominion, died Friday Dec. 9, 1987 in Camp Hill Hospital, Halifax. Born in Gardiner Mines, she was the daughter of the late Edmund and Hester (Cummings) Petrie. She was a member of Saint Eugene Parish and the Dominion Senior Citizens and Pensioners organization. At one time she belonged to the ladies auxiliary of the Dominion Fire Department. Mrs. Donovan is survived by two daughters, Dorothy (Mrs. Gordon MacInnis), Lower Sackville, and Georgia (Mrs. Michael Marier), Nepean, Ont.; one son, Colin, Lingan, and seven grandchildren. She was predeceased by her husband, George, four brothers, Leo, Roy, Edward and Russell, and two sisters, Hazel and Joan. The body rests this evening in the V.J. McGillivray Funeral Home, 16 Reserve St. The funeral service will be held Wednesday in St. Eugene Church. Interment will be in the parish Cemetery. Contributions to the St. Vincent de Paul Society or the Saint Eugene Parish Church Building Fund are suggested as memorial Aunt Dot and both of her parents died of Pancreatic Cancer.

- 268 vii **Joan Teresa⁵ Petrie**, born 9 Feb 1929 in Glace Bay, Cape Breton, Nova Scotia, Canada; died 16 Oct 1967 in Peterborough, Ontario, Canada. Notes: Source: Joe Petrie There are a few stories about Joan's relationship to us! 1. Dad told us that Joan was his father's daughter by a young lady in Dominion. 2. Aunt Dot told us that Joan was adopted by Grandmother when she visited an orphanage in Dominion 3. Mom told us that grandfather adopted her and brought her home for grandmother to raise. 4. Charles Buchanan told me that he thought that Joan was a grand-daughter who was raised by her father's parents (not very common in Cape Breton). We were raised to believe that Aunt Joan was an adopted by our Petrie grandparents. Aunt Joan came to the United States to visit us once. She had hoped to stay longer but Dad was unable to arrange it. After Joan married, she asked Dad to sponsor her family into the US. The barrier was that Aunt Joan had been hospitalized for TB in Cape Breton. As her brother, Dad could sponsor her. The problem: Dad could not prove her relationship. Her birth certificate showed "father unknown" or the equivalent. Adoption papers did not exist. Both grandparents left her out of their wills. Aunt Joan died in an automobile accident before Dad could ever prove their relationship. I used to think that if Dereck and I were genetically tested that we could prove that his mother was actually my Dad's niece. Because of the advances in genetic testing for genealogy, Colin and Dereck should be tested!

She had a problem with her spine, today we believe she may have had rheumatoid arthritis, as it runs rampant in our family..three of my sisters have it and one niece has juvenile rheumatoid arthritis. We believe that my da, Tom, may have had it also. I had to see a rheumatologist last year as some of my blood counts were elevated, but he didn't think I have it.
